LICENSING LARGER CONFIGURATIONS

Packages of licenses are available in configurations listed on this AVG Pricelist. AVG Network, AVG File Server, AVG File Server for Linux/FreeBSD and AVG Email Server configurations above 100 are available in bundles of 10 (for example 110, 120, etc.), above 200 in bundles of 25 (for example 225, 250, 275, etc.). Please contact us at reseller@grisoft.cz for more information about larger configurations.

AVG LICENSE INCREASE

License increase represents a growth of the number of specific product's licenses. When increasing the license, user specifies the target number of licenses and is invoiced for the difference between the price of licenses used and the price of requested licenses. During the first half of the license period the difference is paid in full (100 %). During the second half of the license period, only 50 % of the price difference is paid.

SCHOOLS, CHARITIES AND GOVERNMENT

Grisoft supports schools, charities and government organizations, which are typically under tight budget constraints, by offering discounts on our AVG products. The discount amount offered can be significant but is left to Grisoft's discretion depending on the type of organization. Proof of status is required by the organization and will be verified by Grisoft. For more information about Grisoft or to locate a reseller near you, visit www.grisoft.com.
